Some of you are still not getting your titling in the correct order. To make my listing job easier Please use this formula. **Title of Image. Your first Name. Class. jpg**

e.g. **Dedicated Train. Brady. S.jpg** or **Logging Truck Lineup. Lyal. O.jpg** or **Godwitt in Flight. Brian. N.jpg** Short Titles are best, they don't get lost in projection.

Thank you. JB

PSNZ Central Regional Convention 2018 Whanganui

A fantastic relaxed busy full on weekend. Keynote speakers Thomas Busby and Catherine Adam were interesting, fascinating, inspiring and just great people to listen to. The workshops I attended have all left me with ideas and motivation to try something new. The organisation was spot on - friendly and relaxed. The venue totally suited the event and everyone was inclusive and positive - out to make the most of the weekend. Well done Whanganui Camera Club and thanks for all of your hard work to make this happen. You have given us some wonderful everlasting memories.

ALSO think about the SPECIAL END OF YEAR PROJECT. MAKE A TRIPTYCH. Any subject. Projected entries only, maximum of 2 entries, on the usual size of 300 res x 1620px width x 1080px max height. The three images must not touch or overlap each other. There must be a clear division between each image & no fourth image in the background.

END OF YEAR AUDIO VISUALS. Now is a good time to start thinking what you could make an AV about and maybe take photos specifically for it. The best AV's are made using all horizontals which is not to say you can't use verticals, they just need more attention to make them blend.
Call Jocelyn if you need help.

This Months Joke. Two mice meet and start chatting. "Look," says one after a while, "I've got a new boyfriend!" and shows a picture on the mobile phone. "OMG," cries the other mouse, "that's a bat!" "What?! The guy told me he was a pilot!"
