ALSO think about the SPECIAL END OF YEAR PROJECT. MAKE A TRIPTYCH. Any subject. Projected entries only, maximum of 2 entries, on the usual size of 300 res x 1620px width x 1080px max height. The three images must not touch or overlap each other. There must be a clear division between each image & no fourth image in the background.

END OF YEAR AUDIO VISUALS. Now is a good time to start thinking what you could make an AV about and maybe take photos specifically for it. The best AV's are made using all horizontals which is not to say you can't use verticals, they just need more attention to make them blend.
Call Jocelyn if you need help.

There is a non-competitive section for members who are not into competitions. Bring 2 images you like or have problems with, on a Pendrive on the meeting night. Speak on why you like it or ask for comments on improvements.

Little Man Award. Awarded each month on the whim of the President.
August 2018. Went to Lorna Davies if she was the intrusive back in Bill's Still-Life image and if she wasn't then it went to Bill for including someone's back end in the background of his Still-Life image & a Merit for his Kaka. Either way they share it for a month !

JOKES FOR THE MONTH. Math Teacher: "If I have 5 bottles in one hand and 6 in the other hand, what do I have?"
Student: "A drinking problem."

Teacher: "Anyone who thinks he's stupid may stand up!" Nobody stands up. **Teacher:** "I'm sure there are some stupid students over here!!" Little Johnny stands up. **Teacher:** "Ohh, Johnny you think you're stupid.

Little Johnny: "No... I just feel bad that you're standing alone..."
